Steps to Obtaining A Business License

We are happy that you have chosen to establish a business here in our community. There are several steps below to help you along in this process.

1. Visit the State website at <http://tn.gov/ecd/topic/how-to-start-a-business> and complete the necessary steps.
2. Visit Maury County website at <http://www.maurycounty-tn.gov/index.aspx?page=181> and complete the necessary steps.
3. You can pick up the necessary paperwork at City Hall or download our business license application/clearance form from the link you will find at the bottom of these instructions.
4. Once all the paperwork is complete and turned in the review process starts:
 - a. Our Director of Building and Planning will review the submittal for compliance with zoning and building codes. New signage installed for the business will go through an application process during this point in the review. Fees will be assessed for the permit, and are based on the square footage of the signage in addition to a \$10.00 processing fee payable upon completed review.

SIGNS per square foot:

1-10	\$30.00
11-20	\$60.00
21-30	\$90.00
31-60	\$125.00
Over 60	\$150.00

- b. The application will then be forwarded to the Fire Chief/Asst. Fire Chief for review at this time. Life safety issues, the need for fire alarms, and any separation issues will be addressed at this point.

Depending on the type of work being done to the building prior to opening of your business, a permit may be required. Welcome to Mt. Pleasant, and if you have any questions or concerns please contact the number below and we will be glad to assist you.
